GPSC Notification 2025 – Preparation Tips for Aspirants

To crack the competitive GPSC recruitment process, it is important to approach preparation strategically. The exam is multi-layered, so candidates must be equally strong in reasoning, GK, language skills, and administrative understanding.

- Start with the basics, build a strong foundation in general studies, constitution, and reasoning. Divide your syllabus into weekly goals, attempt full-length mock tests regularly, and revise notes frequently. Focus more on Goa-specific current affairs, as many questions are locally oriented.
- It is equally important to practice descriptive writing for Tier-III and stay updated with government schemes, innovation trends, and governance initiatives.
- Most importantly, be consistent. Join a structured course like the one offered by The Bodhi Academy, where expert mentors guide you through each stage of the GPSC exam.
